

Curb Mounted Cap Skylights (CMC)

VTECH's Patented Curb-Mounted Cap Skylight offers a simple install on a new or existing curb, coupled with the clarity and durability of energy-efficient, LoE3, argon-filled dual-glass or polycarbonate panels. Heavy-duty materials ensure the CMC skylight is built to withstand the installation process, as well as anything Mother Nature throws its way. Available in standard sizes for both residential or commercial applications, these superior products are backed by an all inclusive, 10 to 20-year transferable warranty, based on the product.

Glass - Standard, Safety or Hurricane Glass (CMC)				20-Year Fall Protection Warranty on Hurricane Glass.		
	Size Code	Part Number	Product Description	U-Factor Value* with Insulation Board Installed	U-Factor Value* without Insulation Board Installed	Solar Heat Gain Coefficient (SHGC)
